| #   | Project   | Tracker | Status   | Priority | Subject                                                                        | Author      | Assignee | Updated             |
|-----|-----------|---------|----------|----------|--------------------------------------------------------------------------------|-------------|----------|---------------------|
| 171 | Dyson     | Bug     | Feedback | Low      | dbus-sharp uses invalid SOCK_STREAM constant                                   | Igor Pashev |          | 2014-05-23 09:48 PM |
| 169 | Dyson     | Bug     | Feedback | Low      | [GHC] Text.Regex.Posix does not understand \w                                  | Igor Pashev |          | 2014-05-10 07:55 PM |
| 140 | Dyson     | Bug     | Feedback | Low      | sys/map.h defines struct map (could break C++)                                 | Igor Pashev |          | 2014-01-27 02:54 PM |
| 203 | Dyson     | Bug     | New      | Normal   | ldd stopped working on shared libraries                                        | Igor Pashev |          | 2022-02-04 11:12 AM |
| 202 | Dyson     | Bug     | New      | Normal   | isatty() return false for /dev/ptmx                                            | Igor Pashev |          | 2019-12-09 01:02 PM |
| 201 | Dyson     | Bug     | New      | Normal   | apt: Setting TIOCSWINSZ for master fd 9 failed! - ioctl (22: Invalid argument) | Igor Pashev |          | 2019-11-28 07:00 PM |
| 200 | Dyson     | Bug     | New      | Normal   | MariaDB start script uses uninitialized array MYSQLD                           | Igor Pashev |          | 2019-11-15 01:59 PM |
| 197 | Dyson     | Bug     | New      | Normal   | ldd can't work under fakeroot                                                  | Igor Pashev |          | 2017-06-22 12:42 AM |
| 194 | Dyson     | Bug     | New      | Normal   | Need C.UTF-8 locale                                                            | Igor Pashev |          | 2019-11-15 02:13 PM |
| 190 | Dyson     | Bug     | New      | Normal   | utf8 should be an alias to UTF-8                                               | Igor Pashev |          | 2015-09-26 02:54 PM |
| 189 | Dyson     | Bug     | New      | High     | flock does not work                                                            | Igor Pashev |          | 2017-06-09 01:52 PM |
| 187 | Dyson     | Bug     | New      | Normal   | [gvfs-backends]: pkill: illegal option -- H                                    | Igor Pashev |          | 2015-03-31 03:41 PM |
| 186 | Dyson     | Bug     | New      | Low      | Multithreaded compilation hangs in ECJ1                                        | Igor Pashev |          | 2015-01-12 01:24 AM |
| 184 | DysonLive | Bug     | New      | Normal   | fail to install base-files                                                     | Igor Pashev |          | 2014-12-31 01:35 PM |
| 164 | Dyson     | Bug     | New      | Normal   | JIT does not work in WebKitGTK                                                 | Igor Pashev |          | 2014-10-19 10:15 PM |
| 163 | Dyson     | Bug     | New      | Low      | PIE binaries cannot allocate memory                                            | Igor Pashev |          | 2017-09-04 06:45 PM |
| 150 | Dyson     | Bug     | New      | Low      | QtCreator needs a ptrace implementation                                        | Igor Pashev |          | 2014-06-18 08:46 PM |
| 146 | Dyson     | Bug     | New      | Normal   | SI_ARCHITECTURE should return native name                                      | Igor Pashev |          | 2013-08-25 02:08 PM |
| 143 | GLibc     | Bug     | New      | Normal   | openpty() should check whether modules are already pushed                      | Igor Pashev |          | 2013-07-27 02:45 AM |
| 133 | GLibc     | Bug     | New      | Normal   | Update kopensolaris-gnu/getcwd.c                                               | Igor Pashev |          | 2013-06-19 07:45 AM |
| 131 | Dyson     | Bug     | New      | Low      | getconf: Invalid argument (_NPROCESSORS_ONLN)                                  | Igor Pashev |          | 2013-06-09 05:15 PM |
| 123 | GLibc     | Bug     | New      | Normal   | Rewrite ttyname_r.c                                                            | Igor Pashev |          | 2013-05-27 07:50 PM |
| 122 | GLibc     | Bug     | New      | Normal   | Rewrite x86_64/syscall.S                                                       | Igor Pashev |          | 2013-05-30 12:43 PM |
| 121 | GLibc     | Bug     | New      | Normal   | Rewrite x86_64/vfork.S                                                         | Igor Pashev |          | 2013-05-27 07:49 PM |
| 114 | Dyson     | Bug     | New      | Normal   | gpg complains about insecure memory                                            | Igor Pashev |          | 2013-04-26 11:53 AM |
| 111 | Dyson     | Bug     | New      | Normal   | UTF8 console is not usable                                                     | Igor Pashev |          | 2013-04-13 05:15 PM |
| 107 | Dyson     | Bug     | New      | Normal   | kernel expects 32-bit init                                                     | Igor Pashev |          | 2013-03-21 06:35 PM |
| 103 | Dyson     | Bug     | New      | Normal   | ttymon should create /var/saf/<foo> on demand                                  | Igor Pashev |          | 2013-03-17 06:56 PM |
| 102 | Dyson     | Bug     | New      | Low      | dlnmtd and ipmngtd start dummy processes in non-global zones                   | Igor Pashev |          | 2013-03-10 02:56 PM |
| 97  | Dyson     | Bug     | New      | Low      | "delete" acts as "backspace" in console                                        | Igor Pashev |          | 2017-01-09 09:22 AM |
| 91  | Dyson     | Bug     | New      | Low      | Multiple defined symbols in kmdbmod                                            | Igor Pashev |          | 2014-05-03 04:20 PM |

| #   | Project           | Tracker | Status      | Priority | Subject                                                         | Author         | Assignee | Updated             |
|-----|-------------------|---------|-------------|----------|-----------------------------------------------------------------|----------------|----------|---------------------|
| 77  | illumos packaging | Bug     | New         | Normal   | illumos kernel should be buildable with GNU make                | Igor Pashev    |          | 2012-12-02 01:44 PM |
| 73  | Dyson             | Bug     | New         | Normal   | pkg-gate needs zone_get_zoneids()                               | Igor Pashev    |          | 2015-10-19 06:18 PM |
| 63  | illumos packaging | Bug     | New         | Normal   | /var/run/zones should be created on the fly                     | Igor Pashev    |          | 2012-11-03 06:28 PM |
| 61  | Dyson             | Bug     | New         | Low      | Bash completion for illumos getent                              | Igor Pashev    |          | 2012-12-17 04:28 PM |
| 58  | Dyson             | Bug     | New         | Low      | need ldconfig with some features                                | Igor Pashev    |          | 2014-05-27 07:49 PM |
| 54  | Dyson             | Bug     | New         | Normal   | tzselect is broken on Dyson                                     | Igor Pashev    |          | 2015-10-19 06:18 PM |
| 43  | Dyson             | Bug     | New         | Normal   | Define extern char **environ                                    | Igor Pashev    |          | 2015-10-19 06:18 PM |
| 28  | illumos packaging | Bug     | New         | Low      | Some packages expect tools from /usr/ucb                        | Igor Pashev    |          | 2012-02-16 08:46 PM |
| 25  | DysonLive         | Bug     | New         | Normal   | halt tries to run bootadm and beadm: useless on LiveCD          | Igor Pashev    |          | 2013-03-26 09:29 AM |
| 132 | Dyson             | Feature | Resolved    | Normal   | libbsd requires GNU init_array section support                  | Igor Pashev    |          | 2019-11-27 02:48 PM |
| 195 | Dyson             | Feature | In Progress | Normal   | Develop and describe environment for cross-compiling            | Igor Pashev    |          | 2017-10-08 04:31 PM |
| 198 | Dyson             | Feature | New         | Normal   | MariaDB: add support for socket-based auth                      | Igor Pashev    |          | 2019-11-15 01:59 PM |
| 188 | Dyson             | Feature | New         | Normal   | VirtualBox kernel modules are not usable with hardening-wrapper | Igor Pashev    |          | 2015-08-15 05:32 PM |
| 185 | Dyson             | Feature | New         | Normal   | Port babeltrace                                                 | Igor Pashev    |          | 2015-01-02 04:48 PM |
| 183 | Dyson             | Feature | New         | High     | Make dpkg automatically move files from /bin                    | Igor Pashev    |          | 2014-11-17 05:20 PM |
| 181 | Dyson             | Feature | New         | High     | Port elfutils                                                   | Igor Pashev    |          | 2019-11-28 07:09 PM |
| 180 | Dyson             | Feature | New         | Normal   | Package libieee1284                                             | Igor Pashev    |          | 2014-10-19 08:49 PM |
| 177 | Dyson             | Feature | New         | Low      | [freepascal] Port syscall unit for Free Pascal                  | Igor Pashev    |          | 2015-02-24 05:47 PM |
| 176 | Dyson             | Feature | New         | Normal   | Port nss-mdns                                                   | Justin Maggard |          | 2014-06-09 07:53 PM |
| 170 | Dyson             | Feature | New         | Low      | Port xmobar                                                     | Igor Pashev    |          | 2014-05-12 06:16 PM |
| 158 | Dyson             | Feature | New         | Normal   | Port libusb 1.0                                                 | Igor Pashev    |          | 2022-12-27 12:49 PM |
| 155 | Dyson             | Feature | New         | Low      | Find a way to integrate SMF, inetd and update-inetd             | Igor Pashev    |          | 2019-11-28 07:11 PM |
| 139 | Dyson             | Feature | New         | Low      | /system/volatile                                                | Igor Pashev    |          | 2013-06-29 04:42 PM |
| 137 | Dyson             | Feature | New         | Low      | Port polkit                                                     | Igor Pashev    |          | 2013-12-16 09:17 AM |
| 136 | Dyson             | Feature | New         | Normal   | Port upower                                                     | Igor Pashev    |          | 2018-04-29 10:37 AM |
| 129 | Dyson             | Feature | New         | Normal   | Port udisks                                                     | Igor Pashev    |          | 2013-06-07 01:21 PM |
| 128 | Dyson             | Feature | New         | Normal   | Port Samba CTDB                                                 | Igor Pashev    |          | 2013-06-06 07:32 PM |
| 125 | GLibc             | Feature | New         | Low      | Add wordsize-64 subdir and make foo64 alias to foo              | Igor Pashev    |          | 2013-05-27 08:08 PM |
| 119 | Dyson             | Feature | New         | Low      | sys/ddi_impldefs.h should include sys/sunddi.h                  | Igor Pashev    |          | 2013-05-08 10:26 PM |
| 118 | Dyson             | Feature | New         | Normal   | Add /dev/full                                                   | Igor Pashev    |          | 2013-05-06 10:46 AM |
| 110 | Dyson             | Feature | New         | Low      | ps should support "o" option                                    | Igor Pashev    |          | 2014-08-30 09:13 AM |
| 109 | DysonLive         | Feature | New         | Normal   | LiveCD should use mount_media utility                           | Igor Pashev    |          | 2013-03-26 09:27 AM |
| 106 | Dyson             | Feature | New         | Low      | GNU ls: ACL support                                             | Igor Pashev    |          | 2015-07-04 05:55 PM |
